Before official entry

Verify every answer against your documents and the final government instructions. Submit your official entry separately at dvprogram.state.gov during the announced registration period. Do not submit more than one entry per person. Retain the government confirmation number after official submission; this worksheet has no confirmation number.

- DV-2027 registration dates are awaiting official confirmation. This worksheet uses the archived DS-5501 structure, DV-2026 instructions, and the March 2026 passport rule. Recheck the final DV-2027 instructions before submitting an official entry.
